Your reference: EU/US MRA
Our reference: UKAS Ref. No. 0172C
Date: 16th June 2003

Dear Madam

**TELECOMMUNICATION CERTIFICATION BODY UNDER THE EU-US
MUTUAL RECOGNITION AGREEMENT**

A surveillance was carried out by a representative of UKAS on 27th March 2003 of:-

BABT
Claremont House
34 Molesley Road
Walton-on-Thames
Surrey
KT12 4RQ

of its continued ability to carry out the duties of a Telecommunications Certification Body (TCB) under the terms of the above Mutual Recognition Agreement (MRA). BABT has satisfied UKAS that it continues to comply with the requirements in FCC Public Notice DA 99-1640 as elaborated in the Attachment to that document, "Procedures for Accrediting a Telecommunication Certification Body", as modified in your letter of 31 January 2002.

The applicant has demonstrated that it has maintained the organisation, skills and facilities to meet the requirements for a TCB in respect of the conformity assessment procedures detailed in our recommendation letter dated 28th January 2003.

A copy of our Assessment Summary Report and copies of the nine Detail Reports, which describe the non-compliances and observations that were raised during the assessment are attached. Satisfactory responses to these reports have been received.

Yours faithfully

David Hayward
Accreditation Manager.
